

Regional Divisions

The League’s 16 Regional Divisions cover every corner of California and serve as the grassroots advocacy core of the League. City officials in each division work closely with the League’s Regional Public Affairs Managers to develop regional informational programs and carry out grassroots activities to support specific legislative, regulatory or ballot measure goals. Division members also help raise private funds for CITIPAC, the League’s political action committee.

10 Tips

for Cities Lobbying the California Legislature

1. Become engaged in the state level political process by appointing a legislative liaison within your city to track key legislation and work with your regional public affairs manager. You can locate contact information for your regional public affairs manager online at www.cacities.org/regionalmanagers.
2. Use the League as a resource. To access League priority bills, legislative contacts and additional information, visit www.cacities.org/legresouces. The League's online bill tracking tool can be found at www.cacities.org/billsearch.
3. Sign up to receive the League's newsletter, *CA Cities Advocate*, and stay current on important legislation. Subscribe at www.cacities.org/cacitiesadvocate.
4. Develop relationships with your Senate and Assembly representatives as well as their Capitol and district office staff.
5. Get to know members of your local press and educate them on legislative issues affecting your city.
6. Understand how state decisions impact your city's budget.
7. Build networks and collaborate with other groups in your community on key legislative issues.
8. Organize an internal process within your city for developing and proposing changes to laws that will help your city.
9. Adopt local policy platforms that enable your city to react quickly to support or oppose legislation. The League notifies member cities of urgent bills through alerts that sometimes require immediate action.
10. Write letters on legislation featured in *CA Cities Advocate*. Samples can be found at www.cacities.org/billsearch by searching with the bill number or bill author.
