Short Term vs. Long Term Solutions

- **Shelters and temporary housing**
 - Immediate and humane
 - Doesn't get to root problems

- **Investment in housing is key to get people off the street**
 - Affordable housing
 - Permanent supportive housing

HOME GOOD

An initiative of United Way of Greater Los Angeles
& L.A. Area Chamber of Commerce

TO END CHRONIC AND VETERAN HOMELESSNESS IN LA BY 2016

THE PLAN

1

**KNOW WHO'S HOMELESS AND
WHAT THEY NEED**

2

**CREATE THE HOUSING AND
SERVICES TO HELP PEOPLE
THRIVE**

3

**SHIFT TO A HOUSING FIRST
SYSTEM**

4

**GET INVOLVED, INVOLVE
OTHERS**

Home for Good: Demonstrating Results

What is Permanent Supportive Housing?

- **It's just housing!**
 - Renovation or conversion of existing buildings
 - Construction of new apartment buildings
- **With operating budgets that also ensure residents receive supportive services**

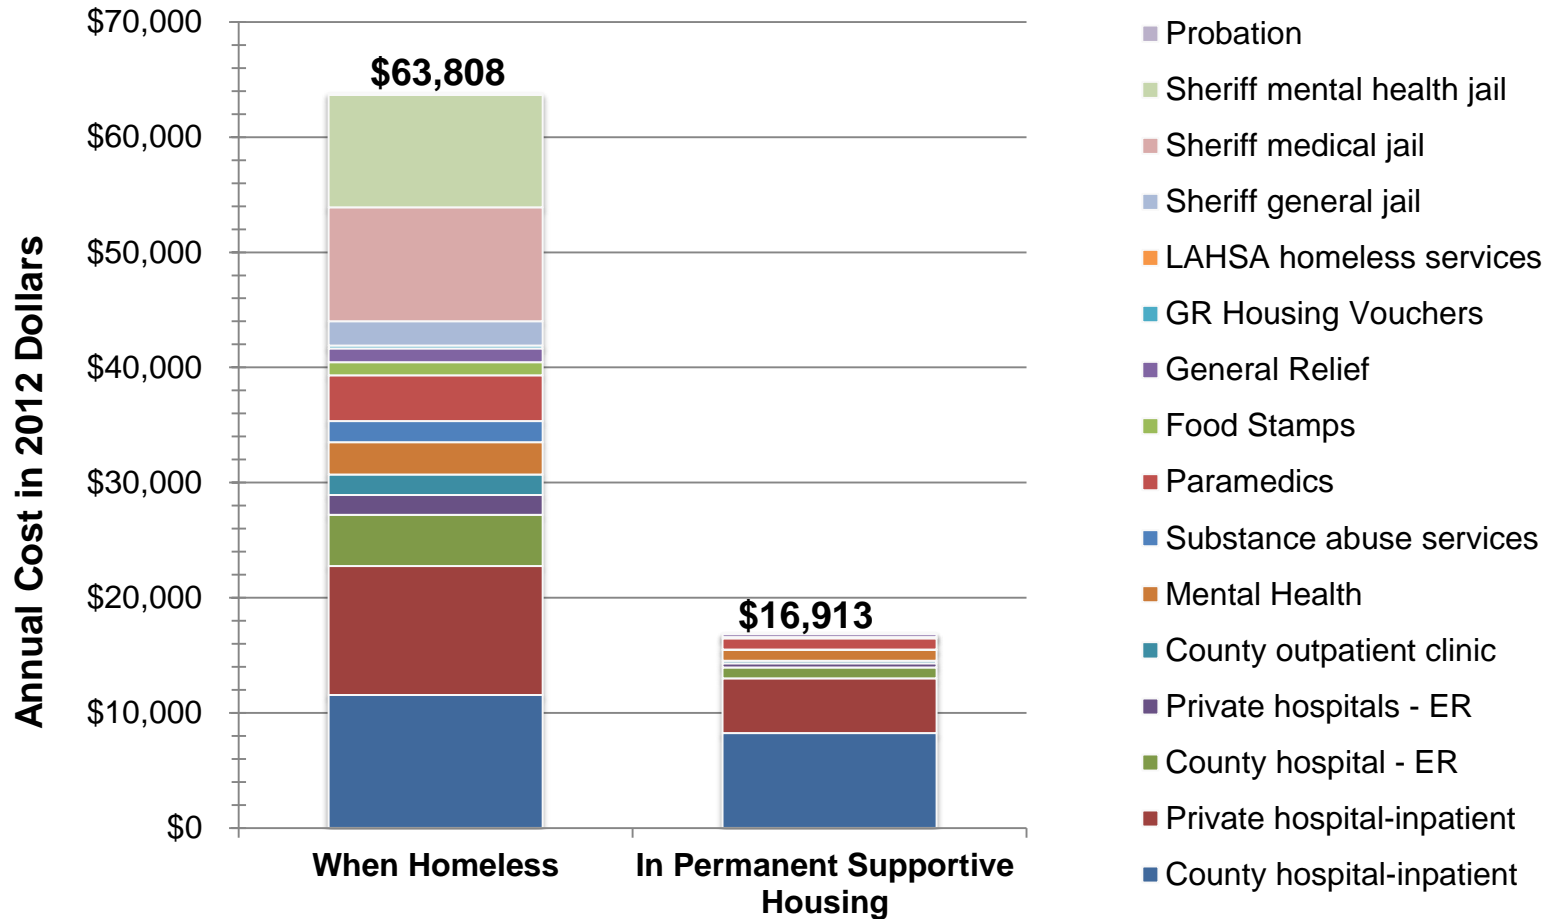

Gold standard in addressing chronic homelessness: Supportive housing with case management

“Housing for Health Program”

L.A. County Dept. of Health Services

- Permanent supportive housing model
- Partners with nonprofit agency, Brilliant Corners
 - Leases units in larger building throughout L.A. County
- Assigned mental and physical health provider for each tenant
- Assigned case worker and emergency call number

Goal: House 10,000 individuals within 5 years to save up to \$320 million per year.

Partnering with CCF

- **Can Provide Grants to Community Organizations**
 - Research to make the case: polling, cost analysis
 - Build local community leadership to facilitate support, create public will, and combat NIMBYs
- **Linkages to experts and technical assistance to create PSH**
- **Loans and start up grants to fast track the construction process, but cannot cover subsidy costs for construction**

72% of voters support permanent supportive housing

Only 35% believe police-based solutions are most effective
