

ORDINANCE NO. 2454

**AN ORDINANCE OF THE CITY COUNCIL OF
THE CITY OF MERCED, CALIFORNIA, ADDING
CHAPTER 20.84, “MEDICAL MARIJUANA AND
CULTIVATION” TO THE MERCED MUNICIPAL
CODE PROHIBITING ALL COMMERCIAL
MEDICAL MARIJUANA USES IN THE CITY AND
PROHIBITING CULTIVATION FOR MEDICAL
USE BY A QUALIFIED PATIENT OR PRIMARY
CAREGIVER**

**THE CITY COUNCIL OF THE CITY OF MERCED DOES ORDAIN
AS FOLLOWS:**

SECTION 1. FINDINGS AND PURPOSE. The City Council finds and declares as follows:

A. In 1996, the voters of the State of California approved Proposition 215 (codified as California Health and Safety Code Section 11362.5 and entitled “The Compassionate Use Act of 1996” or “CUA”).

B. The intent of Proposition 215 was to enable persons who are in need of marijuana for medical purposes to use it without fear of criminal prosecution under limited, specified circumstances. The proposition further provides that “nothing in this section shall be construed to supersede legislation prohibiting persons from engaging in conduct that endangers others, or to condone the diversion of marijuana for non-medical purposes.” The ballot arguments supporting Proposition 215 expressly acknowledged that “Proposition 215 does not allow unlimited quantities of marijuana to be grown anywhere.”

C. In 2004, the Legislature enacted Senate Bill 420 (codified as California Health and Safety Code § 11362.7 *et seq.* and referred to as the “Medical Marijuana Program” or “MMP”) to clarify the scope of Proposition 215 and to provide qualifying patients and primary caregivers who collectively or cooperatively cultivate marijuana for medical purposes with a limited defense to certain specified State criminal statutes. Assembly Bill 2650 (2010) and Assembly Bill 1300 (2011) amended the Medical Marijuana Program to expressly recognize

the authority of counties and cities to “[a]dopt local ordinances that regulate the location, operation, or establishment of a medical marijuana cooperative or collective” and to civilly and criminally enforce such ordinances.

D. In *City of Riverside v. Inland Empire Patients Health and Wellness Center, Inc.*, (2013) 56 Cal.4th 729, the California Supreme Court held that “[n]othing in the CUA or the MMP expressly or impliedly limits the inherent authority of a local jurisdiction, by its own ordinances, to regulate the use of its land. . . .” Additionally, in *Maral v. City of Live Oak* (2013) 221 Cal.App.4th 975, the Court of Appeal held that “there is no right – and certainly no constitutional right – to cultivate medical marijuana. . . .” The Court in *Maral* affirmed the ability of a local governmental entity to prohibit the cultivation of marijuana under its land use authority.

E. The Federal Controlled Substances Act, 21 U.S.C. Section 801 *et seq.*, classifies marijuana as a Schedule 1 Drug, which is defined as a drug or other substance that has a high potential for abuse, that has no currently accepted medical use in treatment in the United States, and that has not been accepted as safe for use under medical supervision. The Federal Controlled Substances Act makes it unlawful under federal law for any person to cultivate, manufacture, distribute or dispense, or possess with intent to manufacture, distribute or dispense, marijuana.

F. On October 9, 2015, Governor Brown signed three bills into law (AB 266, AB 243, and SB 643) which collectively are known as the Medical Marijuana Regulation and Safety Act (hereafter “MMRSA”). MMRSA set up a state licensing scheme for commercial medical marijuana uses while protecting local control by requiring that all such businesses must have a local license or permit to operate in addition to a state license. MMRSA allows the City to completely prohibit commercial medical marijuana activities.

G. The City Council finds that commercial medical marijuana activities, as well as cultivation for personal medical use as allowed by the CUA and MMP can adversely affect the health, safety, and well-being of City residents. Citywide prohibition is proper and necessary to avoid the risks of criminal activity, degradation of the natural environment, malodorous smells and indoor electrical fire hazards that may result from such activities. Further, as recognized by the Attorney General’s August 2008 Guidelines for the Security and Non-Diversion of Marijuana Grown for Medical Use, marijuana cultivation or other concentration of

marijuana in any location or premises without adequate security increases the risk that surrounding homes or businesses may be negatively impacted by nuisance activity such as loitering or crime.

H. The limited immunity from specified state marijuana laws provided by the Compassionate Use Act and Medical Marijuana Program does not confer a land use right or the right to create or maintain a public nuisance.

I. MMRSA contains language that requires the City to prohibit cultivation uses by March 1, 2016, either expressly or otherwise under the principles of permissive zoning, or the State of California will become the sole licensing authority. MMRSA also contains language that requires delivery services to be expressly prohibited by local ordinance, if the City wishes to do so. MMRSA is silent as to how the City must prohibit other type of commercial medical marijuana activities.

J. While the City Council believes that cultivation and all commercial medical marijuana uses are prohibited pursuant to Merced Municipal Code Section 20.060.050(E), it desires to enact this Ordinance to expressly make clear that all such uses are prohibited in all zones throughout the City.

SECTION 2. AUTHORITY. This Ordinance is adopted pursuant to the authority granted by the California Constitution and State law, including but not limited to, Article XI, Section 7 of the California Constitution, the Compassionate Use Act, the Medical Marijuana Program, and The Medical Marijuana Regulation and Safety Act.

SECTION 3. ADOPTION OF CHAPTER 20.84. Chapter 20.84, Medical Marijuana and Cultivation,” is hereby added to the Merced Municipal Code to read as follows:
