

League of California Cities
2013 City Managers' Department Sponsorship Opportunities
Payment Deadline: Friday, December 14, 2012

To Whom It May Concern:

The City Manager's Department of the League of California Cities welcomes you to participate as a sponsor for the 2013 Department Meeting and plan of work. This includes multiple recognition opportunities throughout the year.

The City Managers' Department Meeting will host 400+ attendees, January 30 – February 1 in San Francisco for professional education and networking. This is an excellent opportunity for you to meet and speak with this important audience to find out how your company can best meet their needs. Your support helps defray costs, thereby making the conference affordable for all the members.

Other programs supported through sponsorships include the John H. Nail Award presented annually to an outstanding municipal assistant who has contributed significantly to his or her city government; the City Managers' Australian exchange stipend; Graduate student conference stipend competition winners; and the annual reception at the International City County Management Association (ICMA) Conference.

We greatly appreciate your consideration of our invitation to participate. If you have any questions, please feel free to contact us at 916/658-8236, okabel@cacities.org.

Sincerely,

Lorraine Okabe
Assistant Director, Education & Conferences
