2018 Signature/Veto Requests Webinar

Join the League's legislative team for a review of the top priority bills that cities will need to advocate for signature or veto by Governor Jerry Brown. The legislative session ends on Friday, August 31, so this will be the final opportunity for city officials to voice their support or opposition to the governor on key bills.

Some of the key issues are:

- Local land use authority and affordable housing;
- Homelessness issues;
- Disaster response: funding and policy;
- Economic development;
- Public works and telecommunication;
- Labor and employment issues;
- Public safety and marijuana regulation; and
- Other legislation of critical importance.

Due to capacity issues, League members can register for no more than two connections per city.
