Legislative Action Day Preview

Briefing on Priority Bills

Join the League's legislative team for a briefing to review priority bills that impact cities. League lobbyists will share information on legislation affecting:

- Local land use authority and affordable housing;
- Homelessness issues and funding opportunities;
- Disaster response funding and policy;
- Economic development and redevelopment tool restoration;
- Public safety, marijuana regulation and drones; and,
- Other legislation of critical importance.

This webinar will provide you with the information on priority bills that you need to successfully advocate on behalf of your city.

Due to the capacity for this webinar, we are allowing two connections per city to provide easier access for our members.
