

Support Local RECOVERY

Vibrant cities. Strong economies.

Cities are bracing for a nearly **\$7 billion general revenue shortfall** over the next two fiscal years. All cities, regardless of size and geography, are impacted. This will mean cuts and furloughs to city staff and a reduction to core services to the public. **Together, we must fight to support local recovery. Californians depend on it.**

Join the coalition!

Yes, I/we want to join the Support Local Recovery coalition with the League of California Cities to call on the state to secure \$7 billion in direct and flexible funding to support critical local services and CARES Act funding for all cities for COVID-19 related expenditures, and the federal government to secure \$500 billion in direct and flexible funding for all cities nationwide to support critical local services.
