WHO WE ARE AND WHAT WE DO

The Lesbian Gay Bisexual Transgender Queer (LGBTQ) local officials Caucus was established in 2007 as an official affiliate of the League of California Cities. Serving as a community resource and advisory body to the League, Caucus goals include improving quality of life through advocacy by addressing professional, socio-economic, educational, cultural and political issues.

The Caucus also connects members to important policymakers in Sacramento and Washington, D.C., as well as corporate and civic leaders, opening doors and building relationships with the people who are in public policy decision-making positions.

The LGBTQ Caucus is dedicated to developing advancement opportunities and promoting progress in city life, increasing voter registration and encouraging members of the LGBTQ community to seek public office and take leadership roles in the League and in their local community.

Membership is open to past and present elected and appointed officials, and associate membership is open to anyone who supports the Caucus mission and goals.

More information on the LGBTQ Caucus may be found at the League website at: www.cacities.org/Member-Engagement/Caucuses/Gay-Lesbian-Bisexual-Transgender-Local-Officials-C.aspx
