Re: *Guillory et al. v. Hill*
Case No. G054027
Request for Publication

Dear Acting Presiding Justice Bedsworth and Associate Justices:

Pursuant to California Rules of Court, rule 8.1120(a), the League of California Cities (League) and the California State Association of Counties (CSAC) request this Court publish its May 31, 2019 opinion in *Guillory v. Hill*, No. G054027.

The League is an association of 475 California cities dedicated to protecting and restoring local control to provide for the public health, safety, and welfare of their residents, and to

enhance the quality of life for all Californians. The League is advised by its Legal Advocacy Committee, comprised of 24 city attorneys from all regions of the State. The Committee monitors litigation of concern to municipalities, and identifies those cases that have statewide or nationwide significance.

CSAC's membership consists of the 58 California Counties. CSAC sponsors a Litigation Coordination Program, administered by the County Counsel's Association of California and overseen by the Association's Litigation Overview Committee. The Litigation Overview Committee monitors litigation of concern to counties statewide.

Both the League and CSAC have determined the Court's May 31, 2019 opinion raises and addresses issues affecting all municipalities in California and believe publication of the opinion is important for the reasons stated in the requests for publication by the respondent, County of Orange, and the Association of Southern California Defense Counsel. The League and CSAC join in those requests.

Very truly yours,

Lee H. Roistacher
