Strategies for Addressing Homelessness: Policies and Enforcement Issues

This webinar will provide an overview of the homelessness crisis currently affecting communities throughout California. The webinar will discuss (1) strategies for addressing homelessness at the policy level, including identifying available funding, (2) issues arising from the enforcement of local ordinances relating to and affecting the homeless population, and (3) success stories arising from innovative collaborations amongst federal, state and local agencies, as well as between private and public agencies serving the homeless.

The League of California Cities® is a State Bar of California minimum continuing legal education (MCLE) approved provider. The League certified that this webinar meets the standards for participatory MCLE credit for registered attendees in the amount of 1.5 hours.
