Summer Recess/End of Session Legislative Briefing

Join the League’s legislative team for a briefing on major bills that cities need to advocate for and against when the Legislature returns from its summer recess (July 12 – August 11). League lobbyists will share information on legislation affecting:

- Local land use authority and affordable housing;
- Homelessness issues and funding opportunities;
- Employee relations and workers compensation;
- Disaster response funding and policy;
- Economic development and tax increment tool restoration;
- Public safety, cannabis regulation and drones; and,
- Other legislation of critical importance.

This webinar will provide you with information on priority bills that you will need to successfully advocate on behalf of your city.

Due to capacity issues, League members can register for no more than two connections per city.
