2019 Signature/Veto Requests Webinar

Join the League's legislative team for a review of the top priority bills that cities will need to advocate for signature or veto by Governor Gavin Newsom. The legislative session ends on Friday, September 13, so this will be the final opportunity for city officials to voice their support or opposition to the governor on key bills.

Some of the key issues are:

- Local land use authority and affordable housing;
- Homelessness issues and funding opportunities;
- Employee relations and workers compensation;
- Environmental Quality;
- Economic development and tax increment tool restoration;
- Public safety and cannabis regulation; and,
- Other legislation of critical importance.

Due to capacity issues, League members can register for no more than two connections per city.
