WHEREAS, based on the experiences of other cities, these negative effects on the public health, safety, and welfare are likely to occur, and continue to occur, in the City due to the establishment and operation of marijuana cultivation, processing, and distribution uses; and

WHEREAS, the Ordinance is not subject to the California Environmental Quality Act (CEQA) pursuant to Sections 15060(c)(2), 15060(c)(3) and 15061(b)(3). The activity is not subject to CEQA because it will not result in a direct or reasonably foreseeable indirect physical change in the environment; the activity is not a project as defined in Section 15378, and the activity is covered by the general rule that CEQA applies only to projects, which have the potential for causing a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity may have a significant effect on the environment, the activity is not subject to CEQA; and

WHEREAS, the City desires to continue to ban all marijuana dispensaries, cultivation, and delivery service land uses within the City to the extent allowed by California law; and

WHEREAS, on September 28, 2016, the City Council adopted Interim Urgency Ordinance No. 542 to confirm the City's policy regarding marijuana and to preemptively address some proposed changes to California law in the event AUMA passes on November 8, 2016; and

WHEREAS, this Ordinance would amend Chapter 9.74 to regulate the personal, medical and commercial use of marijuana in the City, and to address some of the proposed changes to California law in the event AUMA passes on November 8, 2016.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF SANTEE DOES ORDAIN AS FOLLOWS:

SECTION 1. The City Council of the City of Santee hereby finds and determines that all of the above Recitals are true and correct and incorporates such Recitals into this Ordinance as if sully set forth herein.

Any term defined in this Section also means the very term as defined in the California Business & Professions Code or the California Health & Safety Code, unless otherwise specified.

9.74.030 Personal Use.

A. For purposes of this subsection, personal recreational use, possession, purchase, transport, or dissemination of marijuana shall be considered unlawful in all areas of the City to the extent it is unlawful under California law.

B. Outdoor Cultivation. A person may not plant, cultivate, harvest, dry, or process marijuana plants outdoors in any zoning district of the City. No use permit, building permit, variance, or any other permit or entitlement, whether administrative or discretionary, shall be approved or issued for any such use or activity.

C. Indoor Cultivation.

1. A person may not plant, cultivate, harvest, dry, or process marijuana plants inside a private residence, or inside an accessory structure to a private residence located upon the grounds of a private residence, or inside any other enclosed structure within any zoning district of the City. ORDINANCE NO. 543

other permit or entitlement, whether administrative or discretionary, shall be approved or issued for any such use or activity.

2. To the extent a complete prohibition on indoor cultivation is not permitted under California law, a person may not plant, cultivate, harvest, dry, or process marijuana plants inside a private residence, or inside an accessory structure to a private residence located upon the grounds of a private residence, in excess of the limitations imposed by Health and Safety Code Section 11362.2. A person may not plant, cultivate, harvest, dry, or process marijuana plants inside any enclosed structure within any zoning district of the City which is not either a private residence or an accessory structure to a private residence located upon the grounds of a private residence.

3. The City Council may adopt, by later resolution, reasonable regulations on indoor cultivation of marijuana pursuant to Health and Safety Code Section 11362.2(b)(1).

9.74.040 Medical Use.

The cultivation of medical marijuana pursuant to Section 11362.77 of the California Health and Safety Code, the establishment or operation of any medical marijuana collective, cooperative, dispensary, delivery service, operator, establishment, or provider shall be considered a prohibited use in all zoning districts of the City. No use permit, variance, building permit, or any other entitlement or permit, whether administrative or discretionary, shall be approved or issued for the cultivation of medical marijuana or the establishment of any collective, cooperative, dispensary, delivery service, operator, establishment, or provider in any zoning district, and no person shall otherwise establish such businesses or operations in any zoning district.

2. The cultivation of marijuana;

3. The manufacturing or testing of marijuana, marijuana products, or marijuana accessories; or

4. Any other business licensed by the state or other government entity under Division 10 of the California Business & Professions Code, as it may be amended from time to time.

ORDINANCE NO. 543

9.74.060 Penalty for Violations.

No person, whether as principal, agent, employee or otherwise, shall violate, cause the violation of, or otherwise fail to comply with any of the requirements of this section. Every act prohibited or declared unlawful, and every failure to perform an act made mandatory by this section, shall be a misdemeanor or an infraction, at the discretion of the City Attorney or the District Attorney. In addition to the penalties provided in this section, any condition caused or permitted to exist in violation of any of the provisions of this section is declared a public nuisance and may be abated as provided in Chapter 1.14 of this Municipal Code and/or under state law.

SECTION 3. CEQA. This Ordinance is not a project within the meaning of Section 15378 of the State of California Environmental Quality Act ("CEQA") Guidelines, because it has no potential for resulting in physical change in the environment, directly or indirectly. The City Council further finds, under Title 14 of the California Code of Regulations, Section 15061(b)(3), that this Ordinance is nonetheless exempt from the requirements of CEQA in that the activity is covered by the general rule that CEQA applies only to projects which have the potential for causing a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the activity is not subject to CEQA. The City Council, therefore, directs that a Notice of Exemption be filed with the County Clerk of the County of San Diego in accordance with CEQA Guidelines.

SECTION 4. Severability. If any section, subsection, subdivision, sentence, clause, phrase, or portion of this Ordinance for any reason is held to be invalid or unconstitutional by the decision of any court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of this Ordinance. The City Council hereby declares that it would have adopted this Ordinance, and each section, subsection, subdivision, sentence, clause, phrase, or portion thereof, irrespective of the fact that any one or more sections, subsections, subdivisions, sentences, clauses, phrases, or portions thereof be declared invalid or unconstitutional.

SECTION 5. Custodian of Records. The documents and materials that constitute the record of proceedings on which this Ordinance is based are located at the City Clerk's office located at 10601 Magnolia Ave, Santee, CA 92071. The custodian of these records is the City Clerk.

SECTION 6. Restatement of Existing Law. Neither the adoption of this Ordinance nor the repeal of any other ordinance of this City shall in any manner affect the prosecution for violations of ordinances, which violations were committed prior to the effective date hereof, nor be construed as a waiver of any license or penalty or the penal provisions applicable to any violation thereof. The provisions of this Ordinance, insofar as they are substantially the same as ordinance provisions previously adopted by the City relating to the same subject matter or relating to the enumeration of permitted uses under the City's zoning code, shall be construed as restatements and continuations, and not as new enactments.
